

## Heather

Hi, my name is Heather and I have been with Wagg Inn since March of 2009. I was born and raised in Menominee, Michigan (Yes, I'm a Yooper :) ). My husband Andrew and I moved to Green Bay a few years ago and along the way we have added to our family our four-legged kids: Kaizer is Miniature Schnauzer with lots of personality and is my little co-pilot. We also have two rescued cats named Hazel and Lucifur, which always let us know when its meal time (which to them is all the time:) ). I am currently working towards my Veterinary Technician degree and looking into getting certified as a dog trainer. In the future, my ultimate goal is start a non-profit, no-kill animal shelter back in my hometown.
